2022 Comprehensive Plan Affected Parcels:

ASSOCIATED REZONE APPLICATIONS

It is anticipated that, should the docket be set for processing and referred to the Planning Commission for further action, the parcels affected by the map amendment application (File Nos. COMP-0001-2022 and COMP-0002-2022) will also be considered for an “area-wide rezone” to change the zoning on the parcels as described above.

ENVIRONMENTAL REVIEW

The proposal is subject to environmental review. The West Richland Community and Economic Development Department is lead agency for the proposals under the State Environmental Policy Act (SEPA). A SEPA Threshold determination will be made following the City Council establishment of the 2022 Comprehensive Plan Amendment docket. The environmental checklists and related file information are available to the public at the Community Development Department.
